

This service that you perform is not only supplying the needs of the Lord’s people but is also overflowing in many expressions of thanks to God. – 2 Corinthians 9:12

GCA Community Service Form

- 1 .Community Service is defined as volunteer service for an approved non-profit agency.
2. As a general rule, students should earn at least 4 hours of Community Service each fiscal school year (September-June). Hours can begin to be accumulated during the summer before the first day of school.
3. If you choose to volunteer at a non-school Pre-Approved Community Service opportunity, it is wise to have your Community Service opportunity approved by the Principal or Office Staff prior to volunteering to insure that the agency qualifies and to guarantee your hours will be accepted.
4. There will be Multiple Community Service opportunity hours during and after school hours. Check the Community Service Board for outside of school Pre-Approved Community Service opportunities.
5. Make sure that this form clearly states the non-profit agency, contact person, and phone number so that its non-profit status and your service hours can be verified. Incomplete forms will be rejected.
