WHEN:	Mondays: January 23 rd & 30 and February 6 th , 13 th , and 27 th 3:00 – 3:50PM No Basketball on President's Day – Monday 2/20/12

Students must be a part of GCA or GCA Home School and be registered for After School Sports to participate. The After School Sports registration form is available on the school website www.gca-de.org or at the school office. The \$50 fee is for the entire year, so if your child has already registered, please just email me their name and grade. If not, please fill out the form and return it to the office. The form will be given directly to me and I will add his/her to the After School Sports roster.

We need parent volunteers, so if you would like to help, please let me know. There are a number of opportunities available. Parents helping with the sport will be trained before the first day's activities begin.

Looking forward to another great season!

In Christ,
