Pay in Full

The pay in full option provides a savings to families and frees them from payments throughout the year. To receive the pay in full savings, the total family tuition must be received **by August 3rd**.

Payment Plan by Direct Debit

The payment plan divides the tuition by nine and electronically charges your checking account by Direct Debit in SEP, OCT, NOV, DEC, FEB, MAR, APR, MAY and JUNE. There is no payment in January. If you want to reduce your monthly payment amount you may make a large deposit to bring down the overall tuition due.

There are two direct debit dates available: The 1st day of the month or the 15th day of the month.

1. September	4. December	7. April	NO Tuition Payment in January	Direct Debit on 1st or 15th Day
2. October	5. February	8. May		
3. November	6. March	9. June		

Returning Families – first month tuition is due in September.

New families - must provide a check for their first tuition payment at the time of registration. It will be cashed immediately. As a result, new families that select the payment plan option will begin their direct debit payments in October. The first tuition payment is refundable if a new student is found to fill the opening.

Three Plus Students - Families with three or more students attending GCA will receive a **5% discount** off of the total family tuition.
