MEDICAL SCREENINGS

One of the many benefits of having a school nurse is the additional medical care we are able to offer our GCA students. Effective for the 2011-2012 school year, GCA will conduct Vision, Hearing, Posture and Gait Screenings through its school nurse, Marti Garber. Parents have the opportunity to participate in any or all of these screenings.

Please complete this form indicating a **YES** or **NO** response to each screening in the table below and return to school by Monday, November 14th, 2011. Screenings will begin in December.
